**Asunto:** request

I'm Victor Mitran from Oregon, USA.

In October 25, 2015 I translated for your agency a document (birth certificate) from French to English. The price for this work was \$ 25.

Unfortunately I got ill (tuberculosis - TB - caused by the bacterium Mycobacterium tuberculosis, which affected my lungs) and I stayed hospitalized 6 months in Waverly Hills Sanatorium - 1600 Clifton Rd, MailStop E-90, Atlanta, GA 30333, U.S.A. Now I came home and I checked my PayPal account, but the amount of \$ 25 is not entered my PAYPAL account. Please send me the amount of \$ 25 by PayPal into account:

[marigoldinternational@aol.com](mailto:marigoldinternational@aol.com)

as soon as possible.

I hope you are understanding and kind. If you will not send me the amount of \$25 as soon as possible:

- I will inform the websites:

<http://www.proz.com/>

<http://www.translatorscafe.com>

<http://www.translationdirectory.com/>

<http://www.traduguide.com/>

<http://www.translatorstown.com/>

that you are an incorrect translation agency which steals the work of honest translators;

- I have a list of 1 million email addresses of your country and a professional bulk email sender. During 5 days I will send messages to these 1 million email addresses and 1 million people in your country will learn that you are an incorrect translation agency which steals the work of honest translators;

- also I will inform all the newspapers in your country that you are an incorrect translation agency which steals the work of honest translators;

- also I will inform the police in your city about this situation;

- I will post a message on youtube (<https://www.youtube.com/>) that you are an incorrect translation agency which steals the work of honest translators;

Your reputation and your honor are more important than \$ 25.

Please send me as soon as possible \$ 25 through PayPal.

Kind regards

Victor Mitran
