UNFOUNDED NAMING AND SHAMING? NO, THANK YOU.

Every scammer, ghost identity, false translator or fake CV is listed on our Directory for good reason: all of them have been duly scrutinized and assessed as false or fake. And, almost all of these fake identities and email addresses have been sent to us by our worldwide users and informants. We, and everybody in the Translation community, should be grateful to these colleagues for their efforts in exposing these scammers.

However, we also receive messages like the one shown below.
