

Authorization and Agreement

Can you give us permission, authorization and agreement in order for us to send your CV to our clients?

If yes, we will remove your contact details to avoid direct contacts with clients. In this case, we will use a free email which will be put inside your CV in order to receive projects and therefore we will reply on your behalf.

We can also email your certificates if needed to clients on your behalf. We will give you the projects and in cases when you are not available, we will give the projects to other translators.

If you agree, you will be considered as a close team member and consequently you will be eligible for any developmental plan. This is part of group work based on mutual cooperation because the translation market is full of competition.

Please let me know so that we start work. If you agree, sign this authorization and agreement document.
